Preliminary schedule. Changes are possible depending on the number of drivers.

Participants:

Snowcross Super League

The Austrian weekend is **open to all willing participants**, just like the weekends in Boden and Kauhajoki. Each Pro class will accept a maximum of 32 drivers.

!!! Registration must be completed by 22.04.2024!!!

[Link to registration here](#)

Truck Freight

Each Pro class is offered 12 free spots for truck transportation. The free spots are given to the top 12 drivers in points who express their willingness to use the truck transportation.

If one or more of the TOP12 drivers announce that they will go by their own car, or are unable to go to Austria, the free spots will be given to the next drivers on the list.

We have two trucks in use, which can take a total of 48 snowmobiles.

After 36 free spots, **there are 12 extra spots in the trucks, which are sold at a price of 600 € (+ taxes) to the fastest bookers.**

!!! Truck transportation must be booked by 22.04.2024 latest !!!

This applies to all drivers, including those who are offered free freight. If a driver entitled to free freight does not make a notification by the deadline, the free spots will be offered to the next drivers on the list.

The locations for pickup

Finland: Tornio & Kuopio

Sweden: Umea and Mora

The boxes have to be at the places latest 8.5.2024.

Reservations to: harald@bacher-skidoo-metall.at.

When the sleds arrive at Wildkogel, employees of **Bacher Skidoo Metall** will take the sleds out of the box, install the shock absorbers and deliver the sleds to the race track. The handlebar adjustment etc. must be done by the driver/mechanic. Please label tools, spare parts etc. clearly with the driver's name.

After the event, **Bacher Skidoo Metall** will transport the sleds back to the valley and pack them up. Please place tools, spare parts, etc. labeled again next to the sled before you leave the race-track.

Freight for 36 drivers are sponsored by **Quehenberger Logistics and Bacher Skidoo Metall**
